Dates for your Diary:

Hello all - and welcome to the April edition of the newsletter.

Awards Evening - 6 March

Gosh - it was time again for another Awards Evening! There were some nice trophies up for grabs - unfortunately, only 8 of us turned up for the event.

After a warm welcome and a drink we started the awards and whizzed through them in a whopping 15 minutes! Well done to all those who won (and those who didn't!). There's some trophies that need owners - so Jan will be in touch as soon as possible if you're on the list but haven't had your trophy yet.

After the awards we then split into two teams of three for a good fun quiz - with question-master Frank and keeper of the scores Jan.

It was Adam, Sue and Sam (on topic with the team name "AntiVac C19") against Alan, Sharon & Roan ("Rolo 21" - taking an Easter Egg raffle prize for inspiration).

With a good choice of general knowledge questions - AntiVac C19 got off to a flying start and kept the lead throughout to win a thoroughly respectable 205 points against the Rolo 21's 85 points.

There were times when question master Frank looked exasperated at our silly answers (you just can't get the staff can you?) - but a good time was had by all :)

Unfortunately, That was the last time at the Coach & Horses due to lack of interest in the quiz evenings.

Hopefully we can have some other good social evenings at the club ground a little later on in the year when the weather warms up a bit and the suspension on Archery has been lifted.

Field Shoot Champs - 8 March

We had a great turnout for this one, with a total of 16 archers for the Field Shoot Club Championships! We managed to get some fairly good weather too (apart from the one rain shower) - so it made a nice change!

The wood was a little on the boggy side in places, however we all managed to stay upright (just)!

We completed one full round of 12 targets before lunch, then did half a round afterwards with the remaining 14 archers - as by that stage, most of us had enough!

Well done to everyone who took part!

Scores below and photos from the day on the next page. Also special mention to Kev C, who has won the gents trophy now for 5 years running!

Committee Meeting Minutes - 24 Feb 2020

Present FD, JD, MK, AF Opened 2pm

Meeting primarily called due to DF posting on WhatsApp 18 Feb that he needed to step down from the secretarial position. Although he had mentioned this as being likely, in a message to Jan on 13 Feb, nothing else had been heard since. None of the other Committee members were aware of this prior to the WhatsApp post.

All agreed, after reading posts, that he had expressed his desire to resign, and his resignation was accepted wef 18 Feb.

Following on from this, an email to be sent to DF thanking him for his time and input on the Committee. Also, to remind him to remove all details of Club members from his records (ivo GDPR) and ask when convenient to collect Secretary's paperwork.

Accordingly, he will be removed from the Bank account, AGB Secretary position, L&RCAA Secretary position, access to Club email account. Jan to action

Need to ascertain whether he is continuing as Webmaster.

Matters arising from last meeting

Rob A agreed to take overall charge of organising work to be done at field. Alan to liaise with him.

Mick & Jan looked into local Club fees for membership & beginners courses. After discussion all agreed that our fees are ok as they are. If necessary this can be discussed again prior to the AGM in Oct. Fees can only be altered at an AGM or an EGM provided the majority membership vote is carried.

Jan looked into Club Direct Debit for membership & GNAS fees. Can't do unless our annual turnover is more than £2M

Reports

Jan

Twilight shoot still not held due to adverse weather / state of drive. We should perhaps look at moving this to either Nov or Dec and just leave it ftb

Registered HAG Sunday, 17 May to coincide with AGB Big Weekend. Also registered Fri 3 July & 7 Aug social eves as Taster sessions

Contacted by Rosie 16 Feb as appears to be burstpipe underground on public footpath. She rang Marcus but he is not concerned.

Hardcore supplier contacted to advise we still want but wait for better weather.

Asked Stuart for 3 Alternative League trophies in time for Awards eve Fri 6 Mar, he will get them to us. Emailed John M for H/C adjusted scores & winners. Lists printed off as John might not be able to attend.

AOB

Mick to look into ordering more badges & medals in time for HAG on 17 May. Jan to email him Club logo.

Jan to email HAG list to Mick & Alan to ensure everything ready in time, but will do as much as poss before going on hols.

Meeting closed 3.15pm
