Hello all - and welcome to the February edition of the newsletter.

Clout Shoot- 1 January - Jan's Jottings

It's that long ago now that I can't remember much about it. I know it didn't rain and there were 8 of us taking part.

Scores :

Rosie.	62
Jay.	60
Kev K.	51
Kevin C.	45
Alan.	34
Roan.	30
Frank.	24
Jan.	23

Well done to Kev K - his first Go at Clout shooting and he achieved 3rd place.

Social Evening - 3 January - Jan's Jottings

Two teams, Alan & Roan versus Frank & Jan, with Stuart hosting. Having asked if we wanted to start with the easy questions we're glad that we did, we would have been totally disheartened otherwise.

It was all printed out for us tonight- I think it was so Stuart could have a quiet nap whilst we tried to get our brain cells working. Name the Airline logo, name the landmarks, name the actors, name the famous vehicles, name who's who in the pictures, name the product from the advertising slogan, name the famous pets - and they were the easy questions supposedly.

Social Evening - 3 January - Jan's Jottings - *cont*

The harder questions lived up to their name ! Every man for himself on this one. The scores were level at this stage but eventually it ended up with Alan & Roan 202 and Frank & Jan on 256.

A good night followed by a lie down in a darkened room to recover !!

Field Shoot - 12 January - Jan's Jottings

9 of us today. A lovely day if a tad wet underfoot.

Hmmm, I really must try harder, every time I do the scoring I always come last!

Frank.	148
Kevin C.	148
Stuart.	138
Rob A.	126
Alan.	122
Rosie.	122

Jan.	90

Field Shoot - 26 January

15 of us turned up for this one - that must be a record! We just managed to finish and clear away in time before the heavens opened. A big well done to Alan, with a fantastic score of 186 points!!!

Jay with a very impressive predator and prey shot there!

Tree = 1 Rob = 0 ...

Damage to club property Kev - that's a £10 fine. Luckily the bear target didn't feel a thing...

Scores

Alan	186
Kevin C	172

Matters arising

- Drive. Hardcore ordered last year, 2 loads @ £120 each per 12 tons. Waiting for better weather before delivery !

Reports

Jan

- Membership no change, 39 Snr, 3 Dis, 3 18-24 = 45, Jnr 5, 1 social
- Retrospective thanks to John Mc for donation of wooden arrows (already mentioned in newsletter). Discussion followed on use of Club wooden arrows. If using & either broken beyond repair or lost then to be charged at £2.50 per arrow in future. This is to encourage all members to buy own wooden arrows if want to shoot in woods.
- Beginners on wait list all emailed 30 Oct to say no more courses this year etc. 4 enqs since then, total 4 Snr & 2 jnr
- Diary 2020 out to all early January. Twilight shoot pencilled in for Feb 15 but depends on weather & state of drive. Comm decided after discussion no Alternative League to be held this year
- Negotiated with stables next door to use their car park, working well.
- Spoke to Richard (farmer) about rolling field April/ May time
- AGB Big Weekend HAG day will be Sunday 17 May. Still to register
- Kev K donated £18 to Club for sale of some donated equipment

Treasurer

- Bank £2350.00 p/cash £88.26

AOB

- Mick. Where do you get HC tables from ? Jan to email him.
- Jan. Organiser need for urgent work to be done at field, ie. clubhouse roof, wood preservative and slabs laid. After discussion Jan to email Rob A & ask first before approaching all members
- Social eves. Very poorly attended & decision made to cancel ftb after Awards eve March 6. Dave to advise Stuart and also ask him to inform Coach & Horses. July & Aug to continue at field but must be archery games & not quiz.
- Begs courses. Dave happy to continue but will only take overall control of evening courses. Hopefully, Jay will still be able to supervise Saturday morning courses. Earliest Saturday course date possible is 30 May.
- Dave. Instead of Alt League we should be aiming towards AGB Badge Scheme / Progress Award Classifications. Dave to implement this year. Dave also contacted Stuart to ask for 3 trophies for Alt League to be handed over to committee prior to March Awards eve.
- Frank. Annual subs alone not enough to support Club outgoings of rent, insurance etc. How can we get more members to help out at Corporate events ? Not fair on same members every time, especially on HAG & FleckFest & having to be on shooting line for 5 hours without a break. Even if more members could spare a couple of hours at a time it would be an enormous benefit. AGB have strict guidelines on numbers needed to put on events. If we can't

Committee Meeting Minutes - 21 January 2020

put them on because of helpers then the only alternative is to increase membership fees. Jan to look into local clubs fees, begs course fees etc & report at next mtg.

- Badges & medals to be looked for again as go down well at Corp & HAG events.
- Alan. Late GNAS payers totally unacceptable, due 30 Sept, all emailed 30 Aug, & reminders sent 22 Sept & 2 Oct. still some members didn't pay until Nov & Dec. In future, if they have not paid by 1st week of Oct then they will have to pay both AGB & LRCAA directly for themselves. This will work out more expensive for them. They will then have to produce an up to date AGB card before they are allowed to shoot again. Dave will look into whether we can set up Direct Debit from Phoenix to collect both club m/ship and GNAS automatically.

Meeting closed 20.21

Congratulations to

Dave F for being certified - as a Level 1 Coach!! Well done Dave! :)
